What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ✓ **Begin** with standards
- ✓ **Focus** on student learning
- ✓ **Respond** to school data
- ✓ **Define** everyone's responsibilities
- ✓ **Depend** on us to believe in it and use it!

Parents, students and teachers work together for success!

RPS Second Grade Teachers

The second grade teachers will work with students and their families to support student success. Teachers will:

- Provide a weekly newsletter/ Dojo that includes the reading and math goals
- Provide parents with a list of books/text to read with their children for at least 20 minutes per day

At Home

RPS parents joined staff to develop ideas about how families can support student success.

- Stay in contact with my child's teacher through conferencing, notes, Dojo messages, emails
- Read the class newsletter about what my child is learning in class each week. Ask my child questions about the subjects taught.
- Read with my child at home.

RPS Second Grade Students

Students decided upon the following ways to make connections between learning at home and school:

- Read for 20 minutes each night
- Use website links provided by the teacher to help with math practice
- Write stories in my journal each week

When teachers, students and families work together, we **CAN** achieve our goal.
